Hate to bother you today but ....

Do you know what tasks that TCEQ has requested of EPA?

I am confused about what is supposed to be charged to the mission assignment and what is suppose to be charged to EPA General Funding (assume CERCLA/OPA) or other appropriations EPA has provided.

Would the response to the Arkema Facility be charged to CERCLA under an SSID?

Thanks

FEMA just announced...

FEMA has approved the State of Texas' request to amend the cost waiver...

For 30 days from the date of the Presidential Declaration, the cost share has been decreased to 0%, except for debris, which was decreased to 10% for 30 days from the date of the Presidential Declaration.
